*White magic is understood as the magic of the soul. The soul always seeks to outwardly manifest its wisdom and beauty. As such, the purpose of human life is to creatively express according to the Soul's intention.*

- Learn the ancient steps of the magical process
- Distinguish a soul-inspired idea from those created by the personality
- Realise how the soul uses the power of intuition to creatively manifest
- Discover how to bring the soul's ideas into the mind (and emotions), and how to successfully externalize them as an act of service
- How to counter the personality's tendency to distort the soul's wisdom

**BOOK NOW – for this Inspiring & Creative Workshop**  
**EARLY BIRD PRICE - £65.00 BEFORE 1<sup>ST</sup> APRIL - £75.00 THEREAFTER**
